CUSTOMS INFORMATION

Motor Vehicles Specific Information's

Details of customs clearance process and eligibility for Motor Vehicle clearance

1. A VIA must be obtained prior to the importation of motor vehicles.
 - a. VIA will take 3-6 weeks to approve.
 - b. Application for VIA may be found at:https://infrastructure.gov.au/vehicles/imports/how_to_apply.aspx
2. The restrictions for documents and Customs regulations must be met for the importation for privately owned motor vehicles.
3. Customs clearance is required at the port of entry.
4. Customs duties and goods and services taxes (GST) must be paid at the time of vehicle import with the exception of returning Australian vehicles when GST only applies.
 - a. GST only is payable on motorcycle imports
5. Contact the Australian Taxation Office to determine if and when luxury car taxes (LCT) must be paid.
 - a. <https://www.ato.gov.au/Business/Luxury-car-tax/>

DOCUMENTS REQUIRED

Pets

Lists out import documents required for clearance of Pets

1. Import application
2. Import permit

CUSTOMS INFORMATION

Pets

Details of customs clearance process and eligibility for Pets clearance

1. All animals imported to Australia must meet the requirements of the Australian Department of Agriculture and Water Resources and will be quarantined upon arrival.
2. Import permits take approximately 10 business days from the date receipt by Department of Agriculture to be approved; however, incomplete or incorrect applications may take longer.
3. Owners of the goods must select a quarantine station for the animal prior to import.
4. Animals may be visited by only the person identified as the importer during the quarantine period

Note: It is critical to contact Department of Agriculture and Water Resources prior to the import of pets as requirements and restrictions are dependent upon the country of origin and vary dramatically per type of animal.
