## Household Goods Specific Information's

Details of customs clearance process and eligibility for household goods clearance

### CUSTOMS INFORMATION

1. The owner of the goods must be present locally in Canada for Customs clearance or could take help of a family member or use a licensed Customs broker to handle the clearance on their behalf. Having someone else represent the owner may result in import duties and taxes.
2. Returning Canadians may import household goods and personal effects duty free under the following conditions:
  - a. The goods were owned and used by the owner of the goods for at least 6 months prior to importation.
  - b. The owner of the goods lived abroad for a minimum of 12 months.
  - c. If the owner of the goods lived abroad for a period greater than 5 years, the owner of the goods is exempt from the 6-month ownership rule.
  - d. The goods must still be owned and used, and the shipment does not include goods that are for resale or otherwise disposed of within 12 months of importation.

3. Shipments must be declared to Customs at the port of entry (POE) (airport/U.S-Canada border) when the owner of the goods arrives in Canada.
  - a. Customs will then issue documents needed for Customs clearance:
  - b. **BSF186 personal effects accounting document**
  - c. **BSF715 casual goods accounting document.**
  - d. The owner of the goods must present a list of items to be imported.
  - e. It is recommended that a copy of the packing list / inventory be hand carried for presentation to Customs.
  - f. Customs may request a value on the shipment (returning citizens).
4. For immigrants and holders of work / student's visas, the goods must be owned and used prior to importation and the shipment must not include goods that are to be sold or otherwise disposed of **12 months** after importation for duty-free import.
5. Any single item of household goods or personal effects, including automobiles, that were acquired after **March 31, 1977**, and are valued at more than **\$10,000** are subject to regular duty and taxes on the excess amount.
  - a. Seasonal residents may import household items and personal effects duty free under the following conditions:
  - b. The shipment can include household furniture and furnishings for a seasonal residence, excluding construction, materials, electrical fixtures or other goods permanently attached to or incorporated into a seasonal residence and tools and equipment for the maintenance of a seasonal residence.
  - c. The goods must have been owned and used prior to arrival.
  - d. The goods cannot be sold for at least **12 months**.
  - e. The goods are for the personal use of the owner of the goods or their family and are not for any commercial, industrial or occupational purpose.
  - f. Proof of purchase or a copy of a lease agreement is required for any person who is not a resident of Canada but owns a residential property or has leased a residence for at least **3 years** for personal use.
  - g. Only one shipment of this type is allowed.
6. The copy of the will or letter from the executor of an estate must state that the owner of the goods is the beneficiary of the named items for duty-free import (duty-free inheritances).
7. Diplomats can import household goods and personal effects duty and tax free.
8. The Canadian Government adopted ISPM-15 (International Standards for Phytosanitary Measures Publication 15) Guidelines for Regulating Wood

Packaging Material in International Trade (aka NIFM-15) to standardize the treatment of wood packing materials used for the transport of goods.

- 9. ISPM -15 requires that wood packaging either be heat-treated or fumigated with methyl bromide and marked with the internationally recognized International Plant Protection Convention (IPPC) mark, or in lieu of the mark, the consignment must be accompanied by a phytosanitary certificate specifying the treatment used.
